ABOUT US

Sponge Enterprises Private Limited is a Government of India-recognized **Three Star Export House** and an **Authorized Economic Operator (AEO) T-2**, headquartered in Raipur, Chhattisgarh. Established in 1997 by Dr. Mukesh Jain and Mr. Umesh Jain, we bring over three decades of expertise in manufacturing and export industry.

Building on this legacy, our **state-of-the-art, high-tech manufacturing facility** spans approx. 14 hectares and is equipped with the **latest cutting-edge technology**, allowing us to consistently produce **premium-quality rice** that meets the highest international standards.

We specialize in **All Varieties of Non-Basmati Rice**, including **GI-tagged Non-Basmati Rice** and **Fortified Rice Kernels**, which are recognized worldwide for their exceptional quality and reliability. In addition to rice, we also meet the global demand for Iron Ore Fines, ensuring excellence across both our agricultural and mineral export divisions.

With a longstanding presence, Sponge Enterprises has consistently delivered **innovation, operational excellence, and customer satisfaction**. As a leader in rice exports, we continue to **prioritize quality, sustainability, and social responsibility**, ensuring reliable and on time supply to our global partners.
